

GOVT. OF ASSAM
OFFICE OF THE DIRECTOR OF LAND RECORDS & SURVEYS ETC., ASSAM
RUPNAGAR, GUWAHATI-32

No. DS.190/Mission Basundhara/Vol-III/2021/8

Dated Guwahati the 29-09-2021

To : The Director,
Directorate of Information Technology,
Electronics and Communication (DITEC)
DITEC Building, Behind CM Block
Dispur, Guwahati-06.

Sub : Regarding new/ duplicate domain registration request for Mission Basundhara portal.

Ref : Your letter no. DITEC.129/2019/306, dated 28-09-2021

Sir,

With reference to the subject cited above, this is to inform that Basundhara portal is a front end application for citizen to apply for various services of Revenue department related land records. The processing of the applications received from citizen through Basundhara portal will be done in the Dharitree application which is in the private network under NICNET. The portal needs to interact with Dharitree application for processing and tracking the status applications. However, while deploying the Basundhara portal in the SDC, it is found that Basundhara portal cannot communicate with the Dharitree application, because it is in private network. The issue was discussed with the technical person of AMTRON but could not provide any practical solution. It is decided to host the Basundhara portal in NICNET so that seamless integration with Dharitree can happen.

Therefore, the IP for the domain is also changed and the revised application with the new IP is submitted.

This is for favour of information and necessary action.

Yours faithfully,

Addl. Director of Land Records, Assam
Rupnagar, Guwahati-32

Memo No. DS.190/Mission Basundhara/Vol-III/2021/8-A Dated Guwahati the 29-09-2021
Copy to -
