Sub : Laptops for Revenue Circle Offices

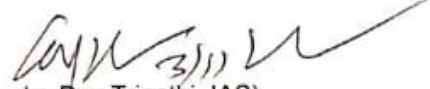

Sir,

With reference to the subject cited above, I have the honour to state that in furtherance of the vision to introduce citizen centricity in the application process and service delivery mechanism of land revenue services, Rajah Adalats are being conducted at the village level under the jurisdiction of 131 Revenue Circles. The Rajah Adalats are aimed at accelerated disposal of cases received through comprehensive online citizen platforms and strengthening various public service delivery e-governance initiatives viz. Right to Public Services, Mission Basundhara.

In this regard, this is to request support from your end in terms of providing 500 Laptops for Circle Offices in order to facilitate the disposal of cases in Rajah Adalats effectively.

This is for favour of kind information and necessary action.

Yours faithfully,

(Gyanendra Dev Tripathi, IAS)
